

## Business Partner Award Nomination

Please nominate any businesses that you would like recognized at the HOSA state conference. These businesses should be ones who have gone the "extra mile" to help make the Health Science Occupations Education programs meet the needs of the students and the community as well as benefit the business. Without these types of business partners, workbased learning would not provide the training and experience that the students of today need for the careers of tomorrow.

Business name: \_\_\_\_\_

Business address: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_
